MALT WHISKY

Laphroiaig 10yr Single Malt

8

Distilled the same way today as it was over 75 years ago. Malted barley is dried over a peat fire. Smoke from this Islay peat gives Laphroaig its particularly rich flavour. A bold, smoky taste, followed by a hint of seaweed and a surprising sweetness.

Balvenie Double Wood 12yr Single Malt

10

Balvenie gains its distinctive character from being matured in two wood types. Over the period of maturation it is transferred from a traditional oak whisky cask to a first-fill European oak sherry cask. These soften and add character, while the sherry wood brings depth and fullness of flavour.

Glenfiddich 12yr Single Malt

8

Carefully matured in the finest American bourbon and Spanish sherry oak casks. Married and mellowed in oak tuns for complete harmony of aroma and flavour. A whisky with distinctive fresh pear, creamy with subtle oak flavours and a long smooth and mellow finish.

Glengoyne 10yr Single Malt

8

Fresh green apples, toffee and a hint of nuttiness. This is the taste of distilling slower than anyone else in Scotland, of barley dried by air - never peat - and of oak casks selected by hand.

Chivas Regal 12yr Blended Malt

9

Chivas is a blend of many different malt and grain Scotch whiskies, matured for at least 12 years. This rich, smooth blend of balances style with substance and tradition with a modern twist.

COGNAC

Hennessy Fine de Cognac

12

Fine de Cognac is in a category of its own. It stands out for its capacity to reconcile great lightness with a certain structure, expressing the complex subtlety of this balance simply, surely and precisely.
